Dear Sir:

This will confirm the price telephoned today for reprinting sections of JANIS 102 and 157.

For JANIS 102, Chapter III, we can quote as follows:

200 copies
300 copies

STAT

Quotation is based on reproducing the job by photo lithography, 16 pages plus two figures, all in black ink. They would be loose leaf, gathered without covers, and banded.

Our quotation for reprinting pages 1 to 29, inclusive, of Chapter III, JANIS 157, is as follows:

200 copies
300 copies

STAT

Our quotation is based on you furnishing lithographed maps of Figure 1. We would photograph from our present copy the entire book with exception of Figures 12 to 20, inclusive, on which negatives have been furnished to us. We presume that Figure 23 is to be an extension of page 29 as per the sample which we have. We also presume that Figures 24 and 25 are to be included, and that page 30 is to be left blank.

We would appreciate your clarifying this matter for us, also the furnishing of the lithographed maps mentioned above. This book will, of course, be loose leaf, gathered without covers, and banded as No. 102.

Very truly yours,
THE A. L. GARDNER COMPANY
